Table decision wording till after discussion of wordings for orders

The BOE reviewed and edited the Record of Hearing(s) and Board Orders from prior weeks.

It was M/S/A for Laurie Williams to provide month to month expenses and hours. If Laurie is to go over hours than the board may have to pick up some additional duties. Laurie said that the stamp machine will cost around \$11.00 per month for maintenance and asked if this is still the process we want to use. It was by consensus that BOE use the county services just like any other department of the county.

It was M/S/A by Justin Moriarty that the BOE must prioritize appeals over business.

It was M/S/A if we must adjourn the years hearing to the County Commissions by Bob Rendler. Bob Rendler handed out a version of what needed to be on the webpage for our required 3 meetings to alert the public. He added that we need to post at the courthouse 24 hours on the public bulletin board the notice of meeting. Mentioned was that a policy may be needed to create a stop point on how many times an appeal can be reschedule.

It was M/S/A by Rosalinda Willson page 43 in the BOE manual that the Dept. of Revenue would prefer using clear, cogent, and convincing over preponderance verbiage. Discussion continued, no decision.
