Sheriff	<p>Base Station is located at the school repeater site.</p> <p>(in photo as: SHERIFF KM)</p>	Motorola: MTR 2000	
EMS/Fire	<p>Base Station is located at the school repeater site.</p> <p>(in photo as: EMS EAST)</p>	Motorola: MTR2000	
Dispatch Door unlock	<p>This is connected to our current Jail controller HMI</p> <p>(In the picture as: DOOR)</p>	This is a momentary release for 1 dispatch door	

Current paging/resource screenshots:

The screenshot displays a dispatch software interface with a grid of channel buttons and resource status cards. The interface includes a top menu bar with 'Help', 'MSEL 1', 'Page List', 'Comms Tx', and 'Safety'. A 'Channels' window is open, showing a grid of buttons for various channels: CATH AID 1ST, SK AID 1ST, GR AID 1ST, DIST 4, CATH AID 2ND, SK AID 2ND, GR AID 2ND, PGT ISL FD, CATH AID 3RD, GR AID 3RD, E CNTY FIRE, CATH FIRE, SK Fire, GR Fire, and WEST CO FIRE. To the right of the grid are three large resource status cards: '800 PSAP 1', 'REGION IV LERN', and 'DOOR'. Below the grid are three more resource status cards: 'SHERIFF KM', 'EMS EAST', and 'BACK-UP'. Each card features a speaker icon, a number (12, 15, or 10), and a diagram of a resource area. A 'Code' window on the left shows a list of codes and channels, including 99999 EMS, 104 EMS, and 3 EMS. The bottom of the screen shows a taskbar with 'Channels', 'Paging & 800', and 'Misc. Window' buttons, along with system information: '51°F Mostly cloudy', '11:09', and '2/1/2024'.
